BUSINESS INTERNET

An Advanced Communication Connection. Redefined.

RCN Business Internet *is a data solution with unparalleled speed tiers designed to help streamline workflow and communications to enable enhanced productivity and efficiency. Delivered over RCN's wholly owned fiber-rich network, a variety of speed tiers are available with download speeds up to 330 Mbps. Businesses can select the speed that best meets their needs, at a price they can afford.*

Choose from four different speed tiers:
25 Mbps 50 Mbps 155 Mbps 330 Mbps

Wholly Owned, Locally Managed Fiber-Rich Network
Data travels over RCN's secure, reliable and diverse network - experience fast response times and a continuous connection for superior uptime.

24/7 Local Support
RCN Business Account and Support teams are available to answer any questions and ensure a business is maximizing all the features available to them.

Save each and every month
A dedicated local Account Representative will help identify the Internet speed and optional features that a business needs. A business can save money by only purchasing the speed they need, with the features they'll use.

RCN BUSINESS INTERNET
