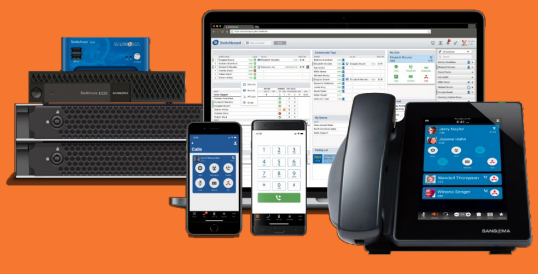
$16.99/CHANNEL
OF SIPSTATION WITH SWITCHVOX PURCHASE



WHY SIPSTATION?
POWERED BY SANGOMA®

SIPStation received the highest ranking possible in **every category of the 2019 Eastern Management Group SIP Trunking Customer Satisfaction Survey**, comparing 29 leading providers on:

- ✓ Technology & Product
- ✓ Management Tool
- ✓ Purchase Experience and Support
- ✓ Total Overall Satisfaction and recommend to a friend
- ✓ Easy number porting requests
- ✓ Automated LOA completion in SIPStation.com portal
- ✓ Business continuity and remote call forwarding in the event of a service outage
- ✓ Redundant networks ensure your services are always up and running
- ✓ Replace costly PRI or analog lines and consolidate infrastructure
- ✓ The self-serve portal makes maintenance and changes a breeze

NAMED NUMBER ONE IN CUSTOMER SATISFACTION

Switchvox®

You can now receive **$16.99/channel pricing on Sangoma's award winning SIP trunking Service, SIPStation** when you combine a 3 year unlimited SIPStation contract with your on-premise or virtual Switchvox purchase.

SIPStation and Switchvox are a perfect match, allowing you to experience a robust, all-inclusive Unified Communications (UC) feature set with the cost savings your company needs to be successful.

With Switchvox, your organization will have access to a fully-featured business phone system that will enhance communications. And, with the addition of SIPStation SIP trunking, you will receive SMS capabilities and rest assured that your Switchvox solution will be more successful and reliable than ever.

Contact your reseller or a Sangoma solutions specialist now for more information.

Terms and Conditions: Must commit to a 3-year SIPStation contract with a Switchvox on-premise or virtual download purchase at the same time. This promotion does not include any metered service, including but not limited to: porting fees, taxes, toll free, international, and SMS for the first three months. Cannot be combined PBXact or FreePBX. Promotional pricing ends Sept, 30th, 2021.
