Cloud, Fully Managed and Connected

Dedicated Internet Access

Enterprise Class, Flexible and Scalable

Reliable high speed internet connectivity provides the bandwidth your business depends on every day. However, there's more to internet connectivity than just having a high amount of bandwidth. That's why AireSpring offers enterprise class internet access service.

AireSpring Dedicated Internet Access (DIA) offers the flexibility and scalability to meet the needs of your business both today and in the future. Our nationwide fully managed IP network with 24/7 proactive monitoring delivers internet connectivity you can count on to support your critical applications and ensure your data reaches its destination.

Meet your bandwidth demands today and get the flexibility to support your expansion tomorrow.

TOP BENEFITS OF THE AIRESPRING ADVANTAGE

- **Optional Fully Managed Router**
  AireSpring offers optional, fully managed and configured, enterprise grade routers, eliminating complexity and potential hardware issues.
- **Largest Available Coverage**
  From Somerset, CA to Madill, OK to Moravian Falls, NC to New York City, we cover more locations than anyone else on our network with the largest combined footprint.
- **Online Access via our AireCare™ Customer Portal**
  Our AireCare online advanced billing reporting portal gives you 24/7 access to your billing and service details.
- **Free 24/7 Proactive WAN Network Monitoring Service**
  AireSpring's Managed Connectivity services include free 24/7 professional monitoring with the AireNMS network monitoring service. Our NOC proactively monitors your network to pinpoint and fix potential problems before they affect your business. (Included when ordering AireSpring managed router)
- **Personalized Service**
  We back you up with outstanding customer service, featuring one bill and a single point of contact for all your service needs.
- **Escalation List Up to Our CEO**
  We stand behind our service 100%! In fact, we're so committed to ensuring complete satisfaction that we provide all of our customers with an escalation list giving you access to our executive management all the way up to our CEO.

AireSpring has received numerous industry awards for "Product of the Year," "Best Telecom Deal," "Members Choice Top Reseller," "Best in Show," and "Top Channel Program."
