	Poly OBi 302	Poly Blackwire 5210	Poly Blackwire 5220
3 yr Purchase	**FREE**	$69.00	$76.00
3 yr Rental	$3.00/mo	$5.00/mo	$6.00/mo
Specs	The Poly OBi 302 is a 2-line VoIP Adapter that connects home and business analog phones to digital voice communications. Connect up to a combination of 2 analog phones or fax machines.	The Poly Blackwire 5210 has one padded mono earphone to allow users to hear both calls and around their area.	The Poly Blackwire 5220 has two padded stereo earphones for maximum sound quality and noise isolation.

The Plantronics Blackwire 5200 wired headphone series from Poly features sturdy design and ergonomic comfort for all-day wear, an adjustable boom microphone with noise cancellation, and USB-A connection with on-wire remote for compatibility with PC and Polycom VVX 250, 350, 450, 401, 411, 501 and 601. Convertible to 3.5mm connection for use with mobile and other devices.
