NATIONAL REACH. LOCAL FOCUS.

RCN Telecom, Grande Communications and Wave Technologies deliver a full-suite of high-speed internet, voice, video and network solutions to businesses of all sizes.

Ask about our 2X SPIF in LIT Buildings

We are technology leaders who provide cutting-edge communication solutions, we understand that one size doesn't fit all. That's why we always tailor our services to suit the needs of our customers. Our offerings are delivered over a wholly owned, high-capacity fiber-rich network – all supported by friendly, dedicated US-based customer service.

As individual companies, we deliver high-quality solutions to our customers. *Together,* we provide even greater value.
